Plum **CRAZY** Restorations Inc.  
*The Muscle Car Shop*

**SPONSOR SPOTLIGHT**

This vehicle was acquired a number of years ago in Chicago, IL. by Plum Crazy Restorations' owner, Joe Thomas, from one of the largest auto recyclers in the Mid-West. The vehicle was brought in to be scrapped, at which point Joe recognized what the car was and purchased it on the spot , saving it from the crusher and the big junk yard in the sky. Many years went by but Joe never parted with the vehicle and eventually when he decided to move to Vancouver, BC he of course packed a bag and his beloved Roadrunner. Despite the heavy shipping costs and challenges of storage in a new city and country, he made sure no harm came to the vehicle. After spending over half his life building and restoring classic and muscle cars, Joe and his wife put their talents and passions together and Plum Crazy Restorations Inc. was born. Plum Crazy Restorations has flourished and has exponentially grown into a wildly successful business due to their hard work, dedication, and attention to detail. Their 30,000 square foot facility is currently based in Port Coquitlam, BC where they have two buildings housing many on-going world class restorations.

A few years ago, the time was right for Joe to begin restoring his '68 Roadrunner and bring to life this awesome muscle machine! Now fully rotisserie restored, with a true vintage Sox & Martin 426 Race Hemi living in the engine bay of this 1968 HEMI Roadrunner, this car brings a smile to any car lover's

neighbourhood soon...

**The Seaside Cruizers are grateful to have the support of Plum Crazy Restorations, who are returning to our 2017 Father's Day Show 'n Shine.
